

LAKE COUNTY ACTION TEAM

Partnering to Better Serve Children and Families in Our Community

Permanency Enhancement Project

*Presentation Developed by NIU
Center for Child Welfare and
Education*

PERMANENCY IN ILLINOIS

- ▶ Illinois is one of the lowest performing states as it pertains to permanency
- ▶ Median length of stay in foster care in Illinois is 32.7 months (as of 09-30-15*)
- ▶ Cases open after 36 months
 - African American – 44%
 - Hispanic – 34%
 - White – 31%

CHILDREN OF COLOR IN CHILD WELFARE

- ▶ Higher occurrence of placement changes
- ▶ Stay in the system longer
- ▶ Less likely to be adopted
- ▶ Less likely to be reunified
- ▶ Receive fewer supports

Child Welfare Information Gateway. (2011). Addressing racial disproportionality in child welfare. Washington, DC: U.S. Department of Health and Human Services, Children's Bureau.

NORTHERN REGION PEP VISION

Improve permanency outcomes and reduce disproportionality and disparity of children of color in foster care in partnership with the communities.

COMMON TERMS IN DESCRIBING OUTCOMES

Disproportionality

The over or underrepresentation of a particular group in a program or system.

Disparity

The differences observed in treatment, outcomes, resources and services between two or more groups.

Equality

Everyone should be treated in exactly the same way.

Equity

Everyone should be treated in ways that meet their specific needs so they have a fair opportunity to achieve their potential.

PEP REGIONAL GOALS

- Improve remain home permanency outcomes
- Improve return home permanency outcomes
- Improve adoption/guardianship permanency outcomes
- Reduce disproportionality and disparate outcomes of African American and Hispanic youth in foster care

PEP HISTORY

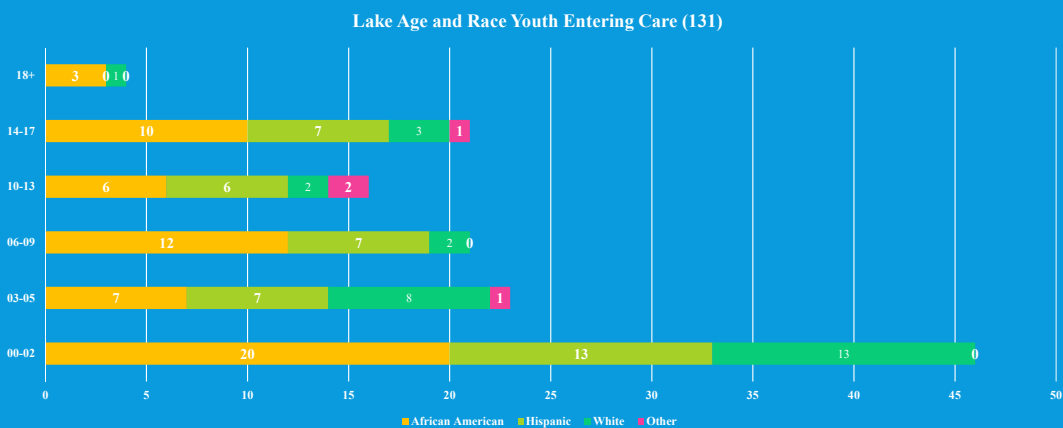

- Partnership with DCFS African American Advisory Council, Illinois African American Family Commission, Universities*
- Focus groups with stakeholders, town hall meetings, community forums, and regional symposiums
- Anti-racism training for DCFS staff and communities
- Partner with community to form and sustain action teams co-led by DCFS and community representative

*Partnership Universities include Illinois State University, Southern Illinois University (Edwardsville), Northern Illinois University, and University of Illinois at Chicago.
